PAULTONS PARK & 100% ATTENDANCE – MAY 2024

Dear Parents,

As an incentive for the next few months of hard work, we have booked our annual trip to **Paultons Park** for **Monday 20th May 2024**. The trip is to celebrate all the hard work, determination, resilience and maturity that the children have shown - not only over the course of the last few months, but over this final year as well.

As with any other reward trip, we will be taking all those children who have earned enough points. The points will begin accumulating from Monday 19th February and run until Friday 17th May. Over the coming 11 weeks, there will be **159 points** on offer and the children will have to earn a **minimum of 140 points** to be invited on the trip.

REWARD POINTS

We will be running a Reward Points system in Year 6 this year. The children will have the opportunity to earn 3 points per day towards a reward treat or trip at the end of every half term. Authorised absences and holidays will earn 2 points per day missed. And, of course, points could be lost for any behaviour issues, including use of unacceptable language. A 5-point star award is also on offer every day for outstanding contribution – this could be in class or it could be for exemplary behaviour or empathy. Although our ethos in Year 6 is very much based around the team, there is, of course, a chance that one or more children may not earn enough points to attend the reward trip. If this happens, they will be expected to remain in school with one of us for the day – and it is vital that you support us in this as we prepare the children for their transition secondary school. Please ask your child to explain further, especially about some of the ideas they have had for rewards! And if you have any further questions regarding this matter, please come and talk to us about it sooner rather than later.

September 2023 – Yr6 Newsletter

There will also be an expectation around **attendance** for this period of time as well, and **for those children that can achieve 100% attendance, there will be an extra reward trip on Tuesday 21st May!!** As you are aware, the Department for Education expects every child to have at least good attendance at 96% over the academic year – this allows them only 7 days off from September to July.

Please see overleaf the calendar that the children themselves will be completing to track their own points and attendance:

5	SATs 13 th	SATs 14 th	SATs 15 th	SATs 16 th	SATs 17 th	
Monday 20 th May			PAULTONS PARK			
Tuesday 21 st May			100% ?!?!?! 100%			

Please be assured that *everything* we are doing is to try to help ease the children through the transition to secondary school that lies ahead. If we can instil responsible, mature attitudes towards both behaviour and attendance now, the change that is coming will be so much easier to adjust to – for the children and for you!

As always, if you have any questions, please come and chat to us about them.

Kind regards,

The Year 6 Team
