Dear Parent/Carer,

Our school has been taking part in a project over the course of the last year with Hampshire County Councils Music Service and Park Community School. *The Power of Music* is a project aimed at engaging children in music and helping to improve well-being. This has involved many of our pupils but specifically our Year 4 children.

We invite you to join us for our concert on Thursday 11th July at 11am, at Park Community School, Middle Park Way, Havant.

This concert will be a celebration of the workshops and engagement that has taken place since September and will include many of the children who have taken part in sessions, providing them the opportunity to share what they have been learning and to work collaboratively with their peers. You can find out more about the project here: [Home - Power of Music \(hantsmusic.org.uk\)](https://www.hantsmusic.org.uk) as well as finding the recordings and albums that our school has created, with more recordings being released over the next few weeks.

Audience numbers are limited, so we ask that you sign- up for your free tickets through the link below:

Please arrive via the reception at Park Community School no more than 10 minutes before the performance time.

We hope that you will be able to join us.

Kind regards,

The Year 4 Team
