2nd July 2024

Dear Parents and Carers

Changes to Kids Club – September 2024

We would like to advise you that we will be changing our after-school provision from September 2024. We currently run our own Kids Club and this will be changing to Active8 Minds Ltd.

Active8 Minds are an established provider of wrap around care, sport provisions and holiday clubs in many schools. They will be familiar to many of you as they have been running our football and multi-skills clubs on a Friday after school for the last few years.

There will be very little change for the children because our amazing staff will be staying on at the club and will be joined by an additional member of the Active8 Minds team.

We have not taken the decision to move our Kids Club to an outside provider lightly. We have never run the club for profit but we are unable to sustain any financial losses moving forward. You will have seen in the latest Governor Newsletter that school budgets are getting tighter. Our governors monitor our financial position closely to ensure our children are getting the very best education and fully support the decision to change provider.

Up until now we have not been able to offer flexibility for our families with a choice of shorter session times, but we are pleased to advise that this option will be available from September. We are also currently exploring the potential for holiday provision which we know will be important for some families. We will keep you updated with any latest news.

We are very excited to be working with Active8 Minds. Please find enclosed some useful information they have sent through for us to share with you. This includes details of session costs and how to register with them.

If you have any questions at all please do not hesitate to contact Active8 Minds direct or call our school office team who will be happy to help.

Kind regards

Elizabeth Cooper

Warren Park After School Club

Sept-Dec 24

Hello! We would like to take this opportunity to share the news that we will be joining forces with the wonderful team currently at the Warren Park after school club to launch a new after school provision!

There will be little change for the children and we aim to ensure a smooth transition for all families. The amazing staff currently at the club. Luke, Michelle and Cheryl will be working alongside a member of the Active8 Minds team from September and we are excited for the future! We will be bringing a whole host of new activities to the club including some mindfulness art & craft and fun sport sessions!

We can't wait to meet you all soon!

Next Term

Next term we are excited to play lots of traditional sports & fun team games throughout the Autumn Term getting to know which activities the children enjoy most. We will also have a variety of creative activities available so we can explore the children's creative sides. We welcome feedback from the children to help us shape the after school club in order to make it as enjoyable as possible. We please ask parents to ensure a refillable water bottle is brought to club to encourage the children to stay hydrated.
