COSMIC – LOCALITY STUDIES – Spring Term 2 and Summer Term 1

Dear Parents,

Over the next two terms we will be looking at our locality and carrying out some off-site visits. These visits will be part of our Geography and History curriculum. The visits are done in school time and children will only be visiting for two hours or less. The children will be in school for lunches. They will not need to bring in anything and they will need to be in normal school uniform and sensible footwear. Please can you inform the office if you need to collect children early or to take them out of class, so we can rearrange groups. Year R will not be joining us on these visits, the COSMIC team will be arranging something special for them soon.

The classes will alternate between Geography and History (When one class is doing History, the other will be doing Geography)
