Thursday 13th February 2025

Dear Parents and Carers,

The children have made an excellent start to the spring term and although we are looking forward to the warmer sunnier days ahead, the weather remains very cold so please do remind your child to continue to wrap up warmly for break times and outdoor activities.

World Book Day

On **Friday 7th March**, we will be celebrating World Book Day. This is a special day where we come together as a school community to celebrate our love of reading. This was celebrated as a strength of the school by Ofsted who were incredibly impressed by our very successful approach to reading across the school. This year we are inviting the children to come to school dressed as one of their favourite book or story characters. We have attached another letter with some ideas for homemade costumes that won't lead to any additional expense or you can get your creative hats on and use these ideas to make a costume for your own character. Please do ensure that your child also wears appropriate footwear and is dressed warmly as we will still be going outside for break and lunch time. During the day, we will also be organising a book swap, so please do encourage your child to bring in any books they no longer read to participate in this exciting exchange. As always, reading is a key focus at Warren Park because we believe it opens the door to endless adventures and learning opportunities. We encourage you to continue supporting your child's reading journey by reading with them regularly at home and completing their reading logs.

Red Nose Day

On Friday 21st March, we will be supporting the 40th anniversary of Red Nose Day. Children are invited to come to school in non-uniform, wearing something red, and to bring in a donation for this fantastic charity. We are also selling red noses in the school office at £2 each. We hope the children will enter into the spirit of Comic Relief and have lots of fun during the day.

Parents' Evening

After half term, we will be sending out booking information about our Parents' Evening sessions which will take place on Tuesday 18th March and Thursday 20th March. These are very important meetings as it is an opportunity for us to share your child's achievements and consider how we can work together to ensure that they get the very best out of all of the opportunities that lie ahead.

Inset Days 2024 / 25

Just a reminder that Monday 21st July and Tuesday 22nd July 2025 are inset days and school will be closed for the children.
